Under the agreement for 2015
Mackenzie River State School will receive

*$5,000*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure that 100% of student in Years 3 and 5 meet the NMS in Literacy and Numeracy NAPLAN testing, or meet targets as outlined in Individual Learning Guarantees
- Ensure that 100% of students in Years 1-3 achieve a ‘C’ or better in English and Mathematics, or meet targets as outlined in Individual Learning Guarantees
- Ensure that, according to mean scale score points, relative gain is improved by at least 35 points for Year 5 Reading, Writing and Numeracy

Our strategy will be to

- Develop capability of staff in the school's priority areas, including: Polya’s problem solving approach to numeracy, Seven Steps to Writing and Daily Five for reading
- Targeted use of human resources to provide intervention and support to students identified by ongoing data analysis of academic and diagnostic testing
- Improve school improvement through the refinement of whole school approaches to reading, writing and numeracy

Our school will improve student outcomes by
